BARITONE UKULELE

Baritone Ukulele Syllabus

In this new syllabus, the pieces from Colin Tribe's original Ukulele syllabus - which was for Soprano, Concert and Tenor with High G - have been rearranged for Baritone ukulele. The only change is that Brahms's Lullaby replaces 'Rocking On' in Grade 1. As there are relatively few other arrangements published for the Baritone ukulele, we have also included the pieces from the existing VCM Ukulele syllabus such as the Folk Tunes published by Schott Music and Tony Mizzen's 'From Lute to Uke+'. So the listing of pieces is the same as in the Ukulele syllabus. Teachers/students are allowed to transpose the key and so continue using the existing tablature from those books. The only stricture is that any notes that are melody notes on the High G string must be repositioned so as to be played in the correct octave. From Grade 3 they should be able to explain all the changes to the examiner.
