WHAT THE EXAMINERS ARE LOOKING FOR

Examiners are looking for a combination of skill, knowledge and understanding. Questions are asked in a manner which assesses the candidate's depth of understanding, not merely the ability to repeat definitions. Ingenuity, variety, musicianship, and a sense of style are rewarded, as well as technical skill and musical accuracy.

ACCOMPANIMENT

Where pieces are to be played to an accompaniment, it is the responsibility of each candidate to provide a competent accompanist or accompaniment, and the necessary music. The playing of the accompaniment must be adequate to enable examiners to make their assessment without the distraction of making unnecessary allowances. An accompanist will only remain in the room for the portion of the examination for which s/he is required. A piano, electronic keyboard, guitar or other appropriate instrument may be used to accompany the Pieces.

If a CD backing track is used, the candidate must be able to operate the audio equipment competently from Grade 1 onwards. No allowance will be made for time wasted because equipment is not fully prepared

OWN COMPOSITIONS

Candidates for Grades 1 to 8 may perform their own compositions in lieu of Musicianship Tests. Further guidance is set out in *Crazy Composing* available from www.whitepublishing.co.uk.

REGULATIONS

All entries are accepted on the conditions laid down in *General Regulations and Information*, a copy of which is available free of charge. It is also on our website: www.vcmexams.com

ENTRY FORMS

All *grades* and *medal* examinations can be entered on white entry forms with no more than ten candidates on a page.

QUESTIONS

Questions are based principally on the music performed; but in addition examiners are at liberty to ask questions on notes, rests, musical terms and signs, key and time-signatures, according to the Grade. Also specifically on minor keys; perfect, major, and minor intervals (Grade 3 upwards).

SIGHT READING

Sight Reading tests are included from Preparatory level upwards. The relative standard will be that of approximately two grades below the grade being taken. Examiners will be at liberty to discuss the Sight Reading Test with candidates as part of the Questions.

PIECES

Candidates are required to prepare the whole of the pieces they have selected from the lists, but the examiner may stop the candidate at any given point or ask for certain sections to be performed, or to omit repeats where appropriate.

SCALES, ARPEGGIOS, ETC.

The examiner will request a representative sample of those specified for a particular examination. Candidates will not be expected to perform scales specified for earlier grades.

PHOTOCOPIES

All VCM and LMP publications are copyright. Photocopying of LMP publications is not permissible and **candidates using unauthorised photocopies at examinations will be disqualified**. It is acceptable, however, to use a photocopy for the second copy when the syllabus requires one to be handed to the examiner, provided the original is also brought to the examination. It is also acceptable to use photocopies of parts of long pieces to avoid awkward page turns, again provided the original is also brought to the examination.

EXEMPTION FROM QUESTIONS AT PRACTICAL EXAMINATIONS

Grade 1 Theory exempts up to and including Preliminary Practical

Grade 1A Theory exempts up to and including Preparatory

Grade 2 Theory exempts up to and including Grade 3 Practical

Entries will not be accepted on the basis of folio to follow. The work may be emailed to vcmeams@aol.com or sent in hard copy with the entry form. The candidate's name, centre and date must be clearly shown, and the work must be declared in writing as the candidate's own unaided work.

Hard copies of folios, etc. need to be passed through a sheet feeder machinery so they should be on loose plain unstapled, unbound A4 size paper. On no account should they be bound, stapled or placed in display books. Illustrations must not be glued to sheets but included in the text.
