Repertoire List

VCM is always open to suggestions for additions to these lists.

London Music Press® publications are available from

- www.londonmusicpress.com
- direct from sales@vcmexams.com

Non-London Music Press® publications are subject to change that is beyond our control. We recommend that you check that a specific piece is included in the edition you are considering buying.

Increasingly, sheet music is obtainable online and, in some cases, downloadable from the Internet. Candidates may use sheet music from any source, including second-hand, provided it is not simplified, and may read from hard-copies or from electronic devices if they wish.

VCM does not condone breach of copyright but has no objection to the use of second-hand or borrowed sheet music for exams. It is worth searching sites such as IMSLP.org, eBay, etc. and some sites offer a free download service.

This Repertoire List must be used in conjunction with the VCM SYLLABUS for EXAMINATIONS in MUSIC INSTRUMENT PLAYING and VOCALS.

INTRODUCTION.

ABOUT THIS REPERTOIRE LIST

Introductory Exams

Repertoire for the four introductory exams (A, B, C, & D) is the same for Contemporary Piano as it is for Traditional Piano Playing. Successful candidates will receive a certificate showing “Contemporary Piano Playing” or “Pianoforte Playing” based on the information shown on the entry form.

Grades and Diplomas

To ensure that candidates experience a wide range of Contemporary Music genres, the repertoire set for Grade and Diploma examinations has been divided into three Lists:

- List A is generally music from films and shows
- List B is Jazz-based music
- List C contains original compositions by contemporary composers and Pop music.

To ensure that this range of experience is as wide as possible, candidates may not perform more than one piece by any single composer at each exam.

DEFINITION OF “CONTEMPORARY”

For simplicity, it is considered that anything composed since 1900 falls under the category of Contemporary Music. Candidates are, however, encouraged to present a programme of pieces from a wide range of dates.

OWN CHOICE REPERTOIRE

Grade and Diploma Candidates may substitute one Own Choice piece of similar standard for each list: a List A choice Film or Show tune; a List B Jazz/Blues tune; and a List C Contemporary Composer/Pop tune. Own choice pieces must not be ones shown elsewhere in the Repertoire List. For Grade 6, 7, 8 and diplomas exams, Own Choices must be approved by email to submissions@vcMexams.com at least **six weeks** prior to the examination.

Additionally, candidates may substitute A List C Contemporary piece for a piece specified for List C in the Traditional Piano syllabus (but not an Own Choice traditional piece.)
