Repertoire List

VCM is always open to suggestions for additions to these lists

London Music Press® publications are available from

- www.londonmusicpress.com
- direct from sales@vcmexams.com

Non-London Music Press® publications are subject to change that is beyond our control. We recommend that you check that a specific piece is included in the edition you are considering buying.

Increasingly, sheet music is obtainable online and, in some cases, downloadable from the Internet. Candidates may use sheet music from any source, including second-hand, provided it is not simplified, and may read from hard-copies or from electronic devices if they wish.

VCM does not condone breach of copyright but has no objection to the use of second-hand or borrowed sheet music for exams. It is worth searching sites such as IMSLP.org, eBay, etc., and some sites offer a free download service.

This Repertoire List must be used in conjunction with the VCM SYLLABUS for EXAMINATIONS in MUSIC INSTRUMENT PLAYING and VOCALS
